Sir:

In response to the Office Action mailed April 16, 2003, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claim:

b1

1. A multilayer-coated substrate comprising a substrate and united therewith two or more superposed layers which comprise an organopolysiloxane and the outermost layer of which has projections, the projections having a dispersion of height of 1 μ m or less, wherein a weight proportion of an organic functional group in the organopolysiloxane ranges from 20 to 60% by weight.
